

**ABES Engineering College, Ghaziabad.
Administrative Office**

Ref: ABES/AO/21A/42/2015-16

Dated: 16th March, 2016

Notice

All the overhead water tanks including the main water tank are scheduled to be cleaned from 21.03.2016 to 27.03.2016. The cleaning of main water tank would be carried out on 21.03.2016 from 10.30AM. The cleaning of main tank takes around 5 to 6 hours, during which there would be shortage of water or even the supply of water may be hampered. All are requested to keep adequate storage of water as per their requirement till the cleaning of the tank.

The team of following members of staff are advised to ensure that the proper cleaning of the tanks is carried out and obtain a proper certificate from the vendor M/s Neer Solutions regarding satisfactory cleaning of the tanks.

1. Mr. Manoj Saraswat
2. Mr. Satyendra Sharma
3. Mr. Ankit Sharma
4. Mr. Pushpendra
5. The warden and the peon of the concerned block.

All concerned to note
